

## POST DOCTORAL GRANTS - Year 2006

**CMUP** (Centro de Matemática da Universidade do Porto) accepts applications for the award of Post Doctoral Grants (in Mathematics) with a duration of up to 6 months within the year 2006, under the funding scheme “*Programa de financiamento plurianual 2003-2005 e posterior prorrogação para o corrente ano de 2006*”, financed by FCT (Portugal) through the programmes POCTI and POSI of the QCA III (2000–2006) with European Community (FEDER) and national funds.

The award of the grants will be carried out according to the rules set out in the “*Regulamento de Bolsas de Investigação Científica*” available on the site [www.fc.up.pt/cmup](http://www.fc.up.pt/cmup).

Interested candidates should send their applications to CMUP, including the following:

- Detailed description of the proposed research project;
- Curriculum vitae including all information considered relevant for the proposed project;
- Two reference letters.

The selection criteria will include the merit of both the candidate and of the proposed research project. CMUP reserves the right not to award any grants.

### **Timetable for the process:**

- Submission of applications: March 15 to May 15, 2006.
- Selection of the candidates and publication of the results: May 15 to 31, 2006.
